

OUR ENGAGEMENT

local communities

Since 2017, L'Apogée Courchevel has been committed to preserving the rich cultural and environmental heritage of the region and passing it on to future generations.

Our partnership

We are partnering with the association “France Nature Environnement” to protect natural areas in Savoie. We invite you to join us in conserving our local fauna with a minimum donation of 60 euros during your stay.

Your donations allow the financing of new educational tools for Courchevel school, to make children aware of the disturbance of wildlife by humans in the mountains in winter and adaptation faced with climate change.

As a gift of thanks, L'Apogée Courchevel offers you this unique snow globe, handmade by the last remaining French artisan specialists in the Alps.
